RE: Massive Cut of Trees on Avenue A and Second Street

Dear Concerned Neighbors:

On December 31, 2015, the Township of Mahwah's Environmental Commission received a letter from the concerned neighbors of Avenue A, Second and Third Streets regarding a large amount of trees cut down during the holidays on Block 54, Lots 27.01, 27.02 and 27.03. In response to that correspondence, the Township Property Maintenance Inspector visited the location and observed that a total of 21 trees had been cut or removed from the above three lots without permission or a permit.

The company that performed the tree cutting received a summons for the violations under Township Ordinance 14-4(d) and is scheduled to appear in Mahwah Municipal Court. The Environmental Commission will also request to see a remediation plan for the property before any additional work is completed.

Please know that we take environmental issues such as these very seriously and thank you for bringing this important matter to our attention. A copy of this letter will also be posted in the Environmental Commission's minutes of January 27, 2016 under [www.mahwahtwp.org](http://www.mahwahtwp.org) > Meeting Agendas & Minutes. Please feel free to share this information with any other concerned neighbors.

Should you have any questions, please contact the Environmental Commission at [enviro@mahwahtwp.org](mailto:enviro@mahwahtwp.org) or by calling 201-529-5757 ext. 271.

Sincerely,

Richard Wolf  
Chairman  
Mahwah Environmental Commission
