WATER USE RESTRICTIONS

A REMINDER FROM THE TOWNSHIP OF MAHWAH WATER DEPARTMENT

Effective May 1 through September 30, 2018

Outdoor watering is permitted 5 am to 9 pm at **EVEN** number street address properties on **Mondays, Wednesdays** and **Fridays**

Outdoor watering is permitted 5 am to 9 pm at **ODD** number street address properties on **Tuesdays, Thursdays** and **Saturdays**

The above times are being imposed so the aquifer has time to recharge

OUTDOOR WATERING IS PROHIBITED ON SUNDAY

The use of a hand held hose for watering is permitted on any day, including Sunday.

During the past month there has been very limited rainfall and moderately hot weather which has lead to an increased demand on the Mahwah Water System. The Mahwah Water Department is asking residents to please abide by these restrictions. Hopefully by adhering to these restrictions the Mahwah Water Department will not have to impose any further water restrictions.
