

## COVID-19 MAHWAH TOWNSHIP

03.24.20 ADVISORY

A Note To Mahwah Seniors

Dear Seniors,

I hope that this finds you safe and healthy during these trying times. Even though the Center is closed, I wanted you to know that we are still here to help.

Please do not hesitate to call or e-mail me with any of your questions or concerns.

Either myself or Elly will be in from 8:00 am – 3:00 pm each day during the week.

Please be assured that no question or concern is too small and that we are only too happy to listen and to help you with them. In addition, I will be sending out daily e-mails in an attempt to provide you with needed information and more importantly, to stay in touch. Of equal importance is helping you with the vast amount of misinformation that is circulating on the internet. Please share this information with me so that I can share it with others and help you determine what is fact and what is fiction.

If you or your neighbors need help in getting groceries, medicine or anything else, please do not hesitate to contact me. We have volunteers who are more than happy to assist you in securing the things you need.

I will tell you what I tell my own family and friends - stay home, stay safe but also stay connected!!

Sincerely,

Susanne Small
