

MCN Meeting Minutes November 19, 2018

Swaggit is still running too fast. Gloria will discuss with John. Slides are not running in order or not appearing at all. The music is not appropriate.

Girl Scouts will be approached to help with slides, videos, pictures and interviews.

Possible use of Photoshop vs. Powerpoint for slides to see if this fixes the issue of size. Swaggit says size of slides is Cable-vision issue not Swaggit.

Christmas Tree Lighting and Menorah Lighting will be attended and aired on MCN and on Facebook.
